(1) Ranger Safety: Course description;

This course will help leaders understand key safety issues that may arise during meetings, activities, and transportation. It will cover topics like proper approach to safety, principles of safety, personal and group responsibilities, assessing risk, and the importance of screening leaders. It is a required course for the Safety Level of the Outpost Leader Advancement Levels.

(2) Ranger Basics: Course description;

This is a one-day hands-on experience that teaches how to run successful outpost meetings, how to use the Rangers curriculum and advancement system, and how to build healthy relationships with boys and young men. You also learn soul-winning techniques for evangelism. It is a required course for the Ready Level of the Outpost Leader Advancement Levels.

(3) Church Security / How to Start Your Team: Course description;

In light of the current and ongoing instability and lawlessness in our country and around the world, and the growing disdain toward Christian organizations and their gatherings, there is a real need for churches to get serious about protecting their church family, their pastors and their church property.

The task of putting together a safety/security team can seem overwhelming, and depending on your circumstances, it can be a huge task.

Where do I start? Who do I talk to? What equipment do we need?

It is more Than Just Showing Up and Looking Good, You NEED a plan of action.

It may be used for one of two required CLE courses for the Advance Level of the Outpost Leader Advancement Levels.

(4) First Aid / CPR & AED: Course description;

This is a Red Cross course and includes demonstration and evaluation of the skills learned in a practical exercise in front of a live instructor. It is a required course for the Safety Level of the Outpost Leader Advancement Levels.

The Importance of Training;

Most men can walk into a room of boys and be somewhat effective in teaching them, for a period of time. Soon you will run out of ideas, become frustrated and want to quit. How can you be effective teaching boys? You need to be trained. It has been said that “Knowledge is Power”, and that is so true with boys.

Royal Rangers is a mentoring ministry for future men. You as a leader need to be well equipped to guide them on their journey to maturity in both life skills and in faith. A boy’s regular interaction with godly men builds confidence and answers a boy’s deepest question: “Do I have what it takes to be a man?” The young man arrives at the answer over a period of time as he regularly tests and compares his developing strength against that of other men. You are his “benchmark.” Are you equipped to lead him into a godly manhood?

Take advantage of Royal Ranger training so that you can be effective to “Reach, Teach and Keep boys for Christ.”

Commanders & Friends,

As most of you are aware the **ALL COMMANDERS CONFERENCE** is April 16th @ *The District Resource Center, 6051 South Watt Avenue Sacramento, CA 95829-1304*. I am sure you have received information on this terrific event that is full of workshops throughout the day followed by an Awards Banquet at 4:00 PM.

I look forward to this event each year and know that you as a commander will receive much, valuable training and information as well as fun and fellowship. As you know the District Royal Ranger office uses this event to produce much needed funds to help with balancing their yearly budget. We have asked our fellow commanders to donate items to the **SILENT AND BANQUET AUCTIONS**.

These items could be small items that we could use in the silent auction to bigger priced items that we may use in the Banquet auction.

Commanders, no item is too small or too big. We do want the items to be new items (with the exception of FCF items which could be used item in good condition). Other items in the past that have been donated have been sport memorabilia, knife and knife sets, hand made items, collectors coins, RR bolo's etc. Our goal is to have 100 items to be auctioned at this great event!

If you have any items please bring them by the District office by Thursday April 7th and drop them off. Please list your name on the items so we can acknowledge and give credit to those donating the items. You can also bring them the day of the conference. Any additional information contact:

- Jim Carstens at, jim@aboutnewlife.com or 916-201-9118
- Phillip McWilliams at, pmcwilliams@agnon.org or 916-379-9600 ext. 1138

Commanders this is an area where you can make a difference! Your donation will be very much appreciated as well as providing an atmosphere of fun and excitement for those that participate in the bidding of these donated items.

We look forward to seeing all of you at the Commanders Conference this year!
